Thank you all so much for being on the board. Like I said today, it truly has been a job I wouldn't mind keeping because of the wonderful people I've been able to work with. Many hands make light work. Definitely a true saying for this year. I have felt confident in every one of your events because you are all so capable and willing to go the extra mile to take care of things. This year serving as President has truly been a pleasure. I look forward to celebrating each of your volunteerism at Alta's on May 16. xoxo

Sarah 😊
