### Chatting with Mr. Chatterton

Happy Monday everyone,

I wanted to share a couple of things that came up in our School Improvement Council meeting this past week. Parents, *please do not drop off or pick up at the back of the north side parking lot (near the greenhouse).* Also, parents we ask that you only use the main entrance to come into the building, including in the morning. If you line up with your child at the back playground in the morning, please say your goodbyes as your student enters the building and do not come in with them. If you have questions about either of these, please contact me.

We have an assembly tomorrow featuring Plan-B Theater for grades K-3.

SEP conferences are next week. Please look for a sign up for conference times from your child's teacher. *Next week we will have an early release on Thursday and Friday.*
