Mon., May 27 . . . No School – Memorial Day

Chatting with Mr. Chatterton

Hello Dragons,

I hope everyone had a wonderful Mother's Day weekend. We have another busy week of testing and finishing everything for the end of year.

A message from our crossing guard on 2100 east, "Please be mindful of the school zone on 2100 east and when pulling out of the parking lot stop before the sidewalk, to check if anyone is coming." For the safety of our children, please slow down and watch for students.

I also wanted to let you know we have a lock down drill scheduled for this [Thursday](#). You may want to ask your student about lock down drills and see if they have any questions. We do talk the students through the drill here, but it may be easier for them to talk to you one on one.

Thanks for you continued support.

Go Dragons!

Jeremy Chatterton, Principal

Ignite your Dragon Fire!

ALL LIBRARY BOOKS ARE DUE FRIDAY, MAY 24TH!

Students are not charged "overdue fines", but they are expected to replace or pay for any lost book(s). Please check your home libraries, backpacks, under the bed, behind the dresser and any other unique place for hiding school library books and return them at your earliest convenience. Thank you!

Shanna Lewis, M.Ed
Library Technology Teacher
Dilworth Elementary

PTA NEWS

The end of the year is here! The PTA is putting together Field Day and we need all the help we can get. Please click on the link below to volunteer for a fun afternoon!

<https://www.signupgenius.com/go/20FOA48ABAC2FA4FE3-dilworth>

Field Day is Monday, June 3, from 12:30-3:00 p.m.. Have your child dressed for the weather. They will get wet, and sunscreen would be a great idea. They won't want to miss it!
