Board Meeting Minutes

Welcome

Treasurer's Report

- Missy reviewed the reimbursement and check request procedures as well as the fiscal responsibility and conflict of interest forms that were passed around and signed by the Board.
- Please remember that it is a requirement that Board Members are PTA Members. Pay your \$5 in the office or venmo Missy @Dilworth-PTA
- Every line item on the budgets were reviewed and explained as needed. Sarah armstrong made a motion to pass the budget and Ainsley Cannon seconded the motion. All in favor of the budget. The budget was approved.

Event Recap & Appreciation

- Thank you to all who have executed one of their commitments and for all the time already invested. Registration, Back to school night, and Teacher breakfast were all great. Perhaps look at finding a way to increase attendance at Back to School PTA meeting in auditorium.
- Tears and Cheers may be a thing of the past. Seems it is hard to man the table since K starts at the same time as other grades now. Perhaps a move to be more including of all parents, something like linger on the lawn.
- Codi was able to find volunteers to cover school pictures. The school moved to a different company and she said they were good to work with.
- Becky Greene suggested moving away from Chipotle community nights because they are hard to work with. We had significantly lower amount made this year at the community night. Perhaps because it was right at the start of school with so much happening. She will check out MOD pizza and Zupas for future Community Nights.

Business

- Utilize your volunteer lists that Codi compiles and emails to you. Parents want to be asked to do things, even if they don't end up volunteering. Report any hours you volunteer or PTA at each meeting to Codi or email them to her if you aren't able to come to the board meeting.
- Picnic on the Playground this Friday is replacing "Movie Night". Simple menu choices and a local musician. A night to connect with other Dilworth families.
