

# Dilworth PTA 2018-19

## Board Meeting Minutes

November 1, 2018

### Welcome

### Event Recap

- Book Fair & Grandparents Days turned out ok after all with volunteers. Unsure how much money the library was able to raise to purchase books.
- SEP Dinner was also great. Teachers were so appreciative.
- Red Ribbon Week focused on connection. A parent, KSL employee, wrote an email about the connection focus and how much she appreciated it. It was a great focus for the week – research backed. Shannon discussed possible doing something each month to build connection and encourage kindness instead of just throughout one week or possibly in addition. Another thought would be to reiterate the theme later in the school year, perhaps correlate with Hillside's kindness week in march.

### Treasurer's Report

#### Business

- Emergency Preparedness? Shannon and Sue are working on getting kits moved to appropriate grade levels and new kits distributed.
- Reflections Update> Jessica Wood reported that they received feedback that going in to each classroom to educate aall students about reflection could increase participation. About 40 entries. Committee wants to distribute awards in each classroom. Also display entries during lunch in gym or possibly in library for a week. They will work out that and have a blurb in hotline with details.
- Junior Achievement
- Flag – Ainsley will order/ Amanda will follow up with her.
- Social Media – Let's ramp up our usage of social media. It is being significantly underused.
- Community Night – Mod Pizza in late nov or early December.
- Amazon Smile fundraising platform. It is active, just needs to have a reminder sent to parents. Amanda will put into hotline as a reminder for community passive fundraising.
- PTA Hotline messages should be sent by committee chairs to jill Anderson each Monday by 9 AM.

#### News

- Bulletin Board is in Place!
- T shirt overstock: A few t-shirts are available for direct purchase from the school.

# Dilworth PTA 2018-19

## Board Meeting Minutes

November 1, 2018

### Principal and Faculty Updates

- Music program changes. Sharon Jorgensen gave notice of her resignation this morning to Mr. Chatterton. Administration and the PTA are looking to hire a replacement music director. We have loved and value the contribution that Sharon has made at Dilworth over the years. While administration hoped to compromise with Sharon on the use of the auditorium and displacement of PE classes, an agreement was not met and Sharon has decided to leave. Music program will continue at Dilworth as a priority, along with many other programs. The PTA will continue to contribute significantly for the Music program at Dilworth, just as it has in the past. Any questions regarding the music program or scheduling at Dilworth can be directed to Mr. Chatterton.

### Upcoming Events

Thanksgiving Break November 21 - 23

Next Board Meeting December 6<sup>th</sup> @ 9:30

### IN ATTENDANCE:

Jeremy Chatterton

Shannon Gormley
