### PRINCIPAL'S MESSAGE

Dilworth Family,

Just a reminder that you may come in and get a parent input form starting today. They are due no later than 2:00 pm on Friday, April 14. As we try to balance out classes to the best of our ability, we ask that you truly consider the educational needs of your student when giving input. It is always fun to have your student with their friends, however that is not always possible, and our greater consideration is for their academics. Please be patient and understanding as this is always a big task, trying to make classes equitable for teachers and students.

Thank you,

Richard Squire, Principal

Tyler Horne, Assistant Principal
