### PRINCIPAL'S MESSAGE

Dilworth Family,

We have completed quarter 2! With that, expect report cards to be coming home with your students this Friday, February 3<sup>rd</sup>.

A few reminders as we begin another exciting week here at Dilworth.....we are expecting a frigid week! There exists a good possibility that students will be kept in during recess due to these extremely cold temperatures. With that said, when the temperature gets above 20 degrees students will still be outside. Make sure that they come prepared to be in the cold if weather permits!

Lastly, another quick parking reminder; please drop off and pick up your students at the south parking lot (by the tennis courts). Our north parking lot at the front of the school is not designed to handle the burden of the traffic before and after school. Thank you so much for your help in this manner. Thank you all so much for your continued help and support!

Kind regards,

Richard Squire, Principal

### PTA NEWS

Join us on **February 9th** from **6-8 pm** for our annual STEM Night. Bring the whole family for a night of fun. Test your engineering skills with a Lego drop, build your own aluminum foil boat to test how much weight it can hold, freeze flowers instantly with liquid nitrogen, program robots, make bouncy bubbles with dry ice, and more. Science Fair projects from our 4th, 5th, and 6th graders will be on display. We'll have interactive activities from University of Utah's Chemistry department, Evil Scientist Academy, Earthwings, and Kim's Cold-Blooded Creatures. The PTA needs volunteers to make this event successful. You do not need any special skills to help. The volunteers will be helping to manage the crowds or helping with very simple experiments. Visit this link to volunteer. Thanks in advance!! <https://www.signupgenius.com/go/30E0E4FA8AE2FAAFF2-dilworth>

## KINDERGARTEN REGISTRATION

If you have a kindergarten student starting in the Fall or know of someone who has, please call the school (801 481-4806) to be put on a mailing list for information about registering your child.

## LIBRARY NEWS - Dragons Are Readers!
